

**Fasteners Supplier
From China**

ABOUT US

In 2002, we built our first threaded rods factory, which was approved by ISO9001:2008.

In 2008, we invested in a screw factory, and a nut factory.

In 2011, we established our trading company, specialized in import and export.

In 2022, to meet our customer need, we start to provide Tool product.

To grow, Dyshine is by you.
